

Jesus is the Answer by Andrae Crouch  
1987 ?

Chorus:

C                    G        F                    C  
Jesus is the answer for the world today

F                                    C        F                    G  
Above him there's no other, Jesus is the way

C                    G        F                    C  
Jesus is the answer for the world today

F                                    C        F        G        C  
Above him there's no other, Jesus is the way

F        G        C        F        G        C  
Jesus is the way;    Jesus is the way

Stanza One

C                                    G                    F                    C  
If you have some questions in the corners of your mind

F                    C                                    F                    G  
And traces of discouragement and peace you cannot find

C                                    G                    F                    C  
Reflections of the past, they seem to face you everyday

F                                    C                                    F        G        C  
There's one thing that you should know, Jesus is the Way.

Stanza Two

I know you got mountains you think you cannot climb  
I know your skies are darkened, you think the sun won't shine  
In case you don't know, the Word of God is true  
Everything He's promised, He will do for you
